BOONGALLA GROUP

BEN STEWART

CONSTRUCTION MANAGER

Ben is a highly skilled Construction Operations Manager with over 28 years of experience across a broad range of industries including Defence, Rail, Emergency Services, Local Government and Health.

Ben is a hands-on manager, with extensive leadership experience, managing teams of up to forty staff across varied roles (project managers, contract administrators and site staff) to deliver quality, timely projects in a safe and professional manner. He is passionate about quality, and managing positive relationships, with an ongoing commitment to safety and environmental improvements. He oversees all Project Managers, Site Supervisors, Contract Administrators, and Site Staff, and efficiently manages the project deliverables across our building services client base.

Ben's proven ability to manage high level, complex site and office environments makes him a valuable and effective member of the leadership team at Boongalla Group.
